“I can sleep better at night, if, we can manage to remove at least 50 unroadworthy vehicles from our roads daily. Our enforcement seems to have reached a crescendo since the 1st of December. Our thanks go to the RTI officers. They are doing KwaZulu-Natal a great service,” said MEC for Transport, Willies Mchunu on reading the latest stats collected on the launch date of the 2009 Law Enforcement Festive Season Launch.
