## **Response to media query: Commission into Police Service**

“I’ve noted the statement regarding the KZN Commission of Inquiry into the South African Police Service that was circulated to all media today. I’ve subsequently referred the matter to the relevant senior management for a report and an update. As a new MEC, I am holding regular briefings meetings with all directorates in the two departments respectively as part of understanding the intricacies of my work. Once, I’ve received a briefing on this matter, I will apply my mind and report to all appropriate channels accordingly,” said the newly appointed MEC for Transport, Community Safety & Liaison, Willies Mchunu.
