MEC MCHUNU TO REMEMBER ROAD VICTIMS IN EMPANGENI

KZN MEC for Transport, Community Safety and Liaison, Mr Willies Mchunu, will on Sunday (7 October 2012) remember the road accident victims in Ntambanana.

This Remembrance Day comes after a recent spate of accidents in the province. This healing of the wounds will be the first of four *healing of the wounds* that will take place across the province for the month of October in commemoration of the deceased.

The department will go around the province preaching the gospel of Road safety using the healing of the wounds as a vehicle to raise awareness to the communities.

This is governments' way of showing the community and the families of the deceased that their loved ones are gone but not forgotten.

Mchunu is expected to be accompanied by religious leaders, members of the KZN legislature, senior government officials, CRSC, RRTF and the community of Ntambanana.
