MEC MCHUNU TO LAUNCH OCTOBER TRANSPORT MONTH 2014 PROGRAMME AT BRIDGE CITY

KWAZULU-NATAL MEC for Transport, Community Safety and Liaison, Mr. Willies Mchunu, will officially launch the annual October Transport Month 2014 programme on Friday (3 October 2014) at the Bridge City Mall, in the Inanda, Ntuzuma and KwaMashu precinct.

The launch, which will be attended by various stakeholders, is aimed at creating awareness about all transport programmes including roads, rail, public transport, road safety and others.

Among others, MEC Mchunu will use the launch to unpack the programmes, initiatives and societal engagements which are part of the new "Road Safety is Our Collective Responsibility" theme he announced during the Transport Budget Vote in August. He will also unveil the October Transport Month plans - leading to the Festive Season programme.

Mchunu will begin the day with a train ride from Moses Mabhida to Bridge City as part of assessing the traveling conditions including safety measures, and form part of a road block before joining the official launch event.

He will be joined by transport industry stakeholders including taxi, bus and trucking industries, those from different sectors of society including business, labour, government and others, as well as departmental officials.
