MEC MCHUNU TO HAND OVER MULTI-MILLION RAND BRIDGE TO THE COMMUNITY OF DAYINGUBO - UMVOTI

KwaZulu-Natal MEC for Transport, Community Safety and Liaison, Mr Willies Mchunu will hand over a multi-million rand bridge to the people of KwaDayingubo, under the UMvoti Local Municipality, tomorrow (25 February 2014).

This is part of government's commitment to provide safe road infrastructure for all including people in rural communities and to support local economic development and growth.

The KwaDayingubo River Vehicle Bridge will connect the community of KwaDayingubo, Bhamshela and Mhlangandlovu to important areas such as schools, clinics and pension pay out on the Dalton side.

MEC Mchunu will use this occasion to reflect on the work done by the Department of Transport over the past five years - as part of the 20-year celebration of South Africa's freedom and democracy, especially highlighting improvement in road network infrastructure in the province.
