### **MEC WILLIES MCHUNU TO OFFICIATE THE UPGRADE OF EMONDLO ACCESS ROADS**

**MEC for Transport, Community Safety and Liaison, Mr. Willies Mchunu**, will tomorrow, 30 April 2014, introduce the upgrade of eight access roads in eMondlo under Abaqulusi Local Municipality near Vryheid.

The upgrade is part of the programme announced by Mchunu in his budget speech last year in which he indicated that the department will scale up investment in the development of road infrastructure in townships and rural communities.

As part of the upgrade of Matsho Tshomba Road, eMondlo Road, Nkotleni Road, Khondlo Road (a), Khondlo Road (b), Mcozi Road, Duma Street and Kwabalele access roads, local community members will benefit from easy access to amenities such as schools, clinics, towns and neighbouring communities.

The upgrade of these roads will boost local development and benefit citizens through job creation and skills development when construction begins.

The MEC will be accompanied by local leadership, the Mayor, Councillors and Community members.
