The KwaZulu-Natal MEC for Department of Transport, Community Safety and Liaison Mr Willies Mchunu will officially unveil the Nsuze River Bridge on main road P706 on Tuesday (13th October 2015).

The opening of this bridge will bring hope and joy to the local community and the road users as this bridge will make their lives much better. Before this bridge was upgraded, the community used to suffer during heavy rains as school children could not go to school due the heavy water flow.

The 140 metre long bridge, which cost a total of R42 million, also benefited the community as its construction created 42 job opportunities for the local people.

MEC Mchunu will be accompanied by the leadership of Nkandla local Municipality, Department of Transport Stakeholders and members of the Transport Portfolio Committee.
