MEC NTULI LEADS INTERVENTIONS AIMED AT ENDING TAXI VIOLENCE

To demonstrate the Department of Transport's commitment to ending violence in the taxi industry, KwaZulu-Natal MEC for Transport, Community Safety and Liaison Bheki Ntuli will join the Mpumalanga and District Taxi Association's Annual General Meeting led by the South African National Taxi Council (SANTACO) which is aimed at ensuring stability in the association following violence and lack of a formally elected leadership structure.

The Mpumalanga and District Taxi Association has been experiencing internal violence after the majority of its leadership were killed in recent years. The SANTACO Durban West Region together with the Department of Transport took a decision to place the association under administration in order to stabilise the association's operations.

All members from the Mpumalanga and District Taxi Association will be part of tomorrow's meeting.

The details of the AGM are as follows:

DATE: 04 February 2020

TIME: 10H00

VENUE: Unit 6 Hall (Hammarisdale)

All members of the media are invited for a press briefing after the meeting.
