TRAFFIC ADVISORY UPDATE - PARTIAL LANE CLOSURES FOR PATCHING WORKS

Pietermaritzburg, 24 March 2021 – SANRAL wishes to advise motorists of partial lane closures on the National Route 2 (N2) in Ballito.

Motorists using the North Bound carriageway near Salt Rock in Ballito are advised of partial lane closures to be implemented from Wednesday, 24 March until 26 March 2021 between 09:00 and 10:00 on 24th March 2021 till 18h00 on 26th March 2021.

"Partial lane closures are required on the North Bound carriageway of the N2 near Ballito (Section 27 km 10) for concrete repairs. Fortunately, it will not be full lane closures as the patches are closer to the yellow lines, almost by the road shoulders so the lane will only be partially used," said Trevor Zumani, Eastern Region Project Manager.

Motorists are advised to take note of the information displayed on the Variable Message Signs along the route for more up to date information.

"We appeal to road users to continue exercising patience on the road during the construction period," added Zumani.
