KZN PROVINCIAL GOVERNMENT'S OPERATION SUKUMA SAKHE SEEKS TO ACCELERATE SERVICE DELIVERY AND CHANGE LIVES

The KwaZulu-Natal Provincial Government led by Premier Sihle Zikalala is on a mission to improve service delivery, access to public services and revive moral regeneration in order to build safer communities.

Premier Zikalala and all the Members of the Executive Council, together with the Deputy Minister for Health Dr Sibongiseni Dhlomo, Deputy Minister for Finance David Masondo and ILembe District Municipality mayors, will on Wednesday, 30 March 2022, hold the Cabinet Operation Sukuma Sakhe programme in Maphumulo Local Municipality.

The programme is aimed at accelerating service delivery, assessing progress on repairs to infrastructure that was damaged by recent storms as well as addressing crime in the community.

The Premier together with the Deputy Ministers, MECs and Mayors will engage the community following the visits to various projects.

The Maphumulo Local Municipality has been in the spotlight recently following water scarcity issues, recent storm damage to road infrastructure affecting the R74, which is the main corridor for the locals as well as number of crime-related cases and social ills.

Members of the media are invited to cover this programme which will take place as follows:

Date: Wednesday, 30 March 2022

Time: 08h00
