Department of Transport and Human Settlements to change the face of KZN

Media invite by the MEC for Transport and Human Settlements, Siboniso Duma as he tables budget speeches

14 August 2024

Inkosi Mhlabunzima Maphumulo House: Tomorrow I am scheduled to present Budget Speeches for the two departments that are the backbone for the province of KwaZulu-Natal.

All categories of staff understand that human development in this province will be achieved through access to transport infrastructure and provision of decent human settlements.

Importantly, tomorrow we will demonstrate our determination to ensure a collective co-ordination of all Infrastructure programmes and projects throughout the corners of the province.

We aim to create jobs and change the face of KZN through the construction of roads and implementation of catalytic housing development projects.

Our approach will change the socio-economic landscape of all municipalities.

Members of the media are invited to cover the presentation of Budget Speeches scheduled to take place in the KZN Legislature.
