Urgent Update: Victims of Road Accidents in KZN now 23

Media Alert and Invite as MEC for Transport and Human Settlements, Siboniso Duma - MEC for Health, Nomagugu Simelane and MEC for Education, Sipho Hlomuka visit the victims of road accidents at Greys Hospital in Pietemartitzburg at 12h00 today (03 September 2024)

03 September 2024

Inkosi Mhlabunzima Maphumulo House: We wish to thank the people of KwaZulu-Natal for the support extended to the families of 23 people who have died in road accidents in the province. We are encouraged by prayers and unity showed by the people of KwaZulu-Natal in the face of this adversity.

Together, we must Inspire Hope for a Better Future.

Executive Authorities responsible for line function departments are scheduled to embark on these activities:-

- Visiting a learner who had her leg amputated after a bus accident in Vryheid yesterday afternoon.
- Months ago she lost her mother. And her father also died. Her name is Xoliswa Mthethwa from Zululand District Municipality. She was rushed to Greys yesterday due to complications.
- We will also comfort Ms Bongiwe Hadebe, the victim of road accident that took place between Mooi River and Greytown on R622. This accident resulted in the death of 12 people including foreign nationals from Lesotho.

Visit of Wreckage

- Toyota Fortune White BB62RWZN towed by Joey's Towing to PMB. As MEC for Transport I will proceed there today.
- I will also proceed to inspect White Toyota Hilux Reg No. NP 241 354. It was towed by Heaven D to Estcourt.
- In addition, I will inspect construction of road P19 to ensure the safety of commuters. This forms part of our commitment to strengthen the public Transport system through the construction of roads throughout the corners of KZN.

Ends.

Issued by the MEC for Transport and Human Settlements
