N3 traffic congestion cleared and motorists requested to drive with caution as it is raining.

Media and public statement by the MEC for Transport and Human Settlements,
Siboniso Duma.

19 December 2024

N3 Freeway: We have received a report from our highly dedicated team from the Road Traffic Inspectorate about congestion this morning along the N3 freeway at Van Reenen Pass.

This followed a multiple-vehicle crash in the area. A truck jackknifed, causing an accident and delays. Durban Bound and Joburg Bound lanes were obstructed. The two lanes have been cleared now.

It is raining in most parts of KZN.

We request motorists to exercise caution.
