Media and public statement by the MEC for Transport and Human Settlements, Siboniso Duma

27 September 2025

Inkosi Mhlabunzima Maphumulo House: We remain satisfied with the work of our highly efficient team from the Road Traffic Inspectorate.

This morning, around 7am, I received a report about the successful execution of a Multidisciplinary Roadblock in Port Shepstone.

Despite boasting about his high profile and his proximity to an unnamed SAPS captain, a visibly drunk member of the Community Policing Forum in Port Shepstone was arrested for drunk driving.

Clearly, Zero Tolerance and Alufakwa campaign was enforced last night until early this morning.

We salute the RTI team for having worked efficiently with traffic officers from Ray Nkonyeni Local Municipality and the South African Police Service.

I am aware that scores of motorists are being processed at Port Shepstone Police Station. I have mandated the RTI team to be firm and arrest more motorists for drinking and driving during October, the Transport Month.

We will use these operations as a build up to the Festive Season.
