Media Update: Investigation begins into the causes of a horrific accident involving a truck and minibus taxi on Van Reenen Pass

07 January 2025

N3, Van Reenen Pass: Following clear guidance from the MEC for Transport and Human Settlements, Siboniso Duma, an investigation into the main cause of the accident involving a truck and a minibus taxi has begun.

As guided by the MEC, the Head of the Department, Siboniso Mbhele is leading a technical team as part of the first phase of the investigation.

Before 19h00 this evening, the MEC will release a statement updating the members of the fourth estate, the people of KwaZulu-Natal and South Africa about the results of the initial stages of the investigation.

Ends

Issued by the MEC of Transport and Human Settlements
