

Update: Duma's Snowfall Response Measures have kicked in

Public and media statement by the MEC for Transport and Human Settlements, Siboniso Duma

10 June 2025

N2 Port Shepstone - Kokstad: Our highly efficient team from the Road Traffic Inspectorate is working flat out with traffic police in various municipalities across the province.

We wish to report the following:-

- eThekweni Metropolitan Municipality:

All roads are open. No effect from adverse weather. Experiencing heavy wind on the coastal area at this time.

- Ilembe District Municipality:

All roads are open. No effect from adverse weather. Experiencing heavy wind on coastal area at this time.

- uMgungundlovu District Municipality:

All roads are open. No effect from adverse weather. Experiencing heavy Berg winds currently.

- Umkhanyakude District Municipality:

All roads are open. Experiencing windy conditions.

The main concern is a fallen tree on the road at R22, Section 2, which was reported last night. Our standby team responded promptly and removed the tree.

The rehabilitation contracts are proceeding smoothly with only day closures currently in place.

- Zululand District Municipality:

No issues have been reported, and the patrol teams are actively monitoring the route.

- King Cetshwayo District Municipality:

All seems to be in order for now. The patrol teams are inspecting the route.

- N2 Ugu District Municipality:

Rain with strong winds.

Fallen trees are being attended by RRM.

No major issues to report on the N2 towards Port Edward and N2 towards Harding.

- Harry Gwala District Municipality:

The N2 from Ingeli towards Kokstad triangle is closed due to the snow.

- N2 from Kokstad triangle (Kokstad Bridge project) towards Brooksnek is also closed due to snow.

There is rain and strong winds in Umzimkhulu and Ixopo.

Umzimkhulu RTI and RRM closed the road on the N2 Stafford Post (Umzimkhulu area) because motorists are not heeding snow warnings and trying to go through despite the snow in Beesterkraal.

- Amajuba District Municipality:

N11-3 & 4 is clear. Just very high, icy winds prevailing.

- Uthukela District Municipality:

N11-1 & 2 are clear. Just very high, icy winds prevailing. Snow on the Drakensberg, but not effecting any roads.

- Umzinyathi District Municipality:

N11-3 clear. Just very high, icy winds prevailing.
