

WEATHER | Comrades Marathon | Road Traffic Inspectorate to ensure free traffic flow | Human Settlements Roving Team to respond with a high sense of urgency and efficiency

Media Alert issued by the MEC for Transport and Human Settlements, Siboniso Duma

08 June 2025

Inkosi Mhlabunzima Maphumulo House: Today, the safety of runners and motorists will be our priority.

With SA Weather Services having alerted us about a cut-off-low pressure system, which will trigger snowfall and heavy rainfall, our highly efficient team from the Road Traffic Inspectorate is stationed on major routes to ensure the free traffic flow.

Our Roving Team from Human Settlements, involving the National Department of Human Settlements is also prepared to respond with speed, efficiency and a high sense of urgency to predicted severe weather patterns.

Today I will be on the ground and the details are as follows:-

Activity: Halfway Through - Comrades Marathon

Venue: Cato Ridge - KwaThintwa School for the Deaf

Time: 08h00

Date: 08 June 2025

Ends

Issued by the MEC for Transport and Human Settlements
