Media and Public Statement by the MEC for Transport and Human Settlements, Siboniso Duma

24 October 2026

Inkosi Mhlabunzima Maphumulo House: The heightened execution of the **#NenzaniLaEzweni** Multi-Disciplinary operation along the N11, at the Chelmsford Intersection, is a clear indication of what will unfold during the festive season.

We salute RTI Dundee for leading this operation together with the South African Police Service (SAPS), the Department of Correctional Services, and the Newcastle and Dannhauser local municipalities

Coinciding with Transport Month, this operation resulted in the following:-

- 226 vehicles stopped;
- 23 traffic law violations or offences were registered against motorists;
- 2 motorists nabbed for driving without a Professional Driving Permit (PrDP);
- 1 driver was nabbed with an outstanding warrant of arrest;

The success of this operation is a testament to the effectiveness of our multi-disciplinary execution of **#NenzaniLaEzweni**.

As we count down to the festive season, we will increase the visibility of RTI.

Irresponsible driver behaviour remains the primary contributor to road crashes, with distracted driving, drunken driving, overspeeding, and noncompliance with the rules of the road playing a major role.

We are determined to emulate the historic decline in road crashes and fatalities we attained last year during the festive season.
