27 August 2026

Inkosi Mhlabunzima Maphumulo House: We cherish the opportunity to host the Institute of Traffic, Licensing, and Metro Police Officials of Southern Africa (ITLMPO-SA).

Accordingly, we welcome esteemed delegates such as law enforcement officers representing traffic and licensing departments, metro police, and other key officials from the Road Traffic Management Corporation.

The gathering is scheduled as follows:-

Date: 27 August 2026

Time: 09h00

Venue: Southern Sun, Maharani Hotel, Durban

We salute the Institute for promoting efficiency, professional standards, and high ethical practices in law enforcement and traffic control since 1985.

Critically, we are encouraged by the support we have received from the Institute as we execute the #NenzaniLaEzweni operation.

When we launched the Operation last year, we stated that we were guided by our road safety strategy, which is based on four E's:

- Enforcement (ensuring high visibility of law enforcement),
- Education (creating awareness through educative campaigns),
- Engineering (improving road designs to ensure motorists' safety), and
- Evaluation (assessing what works and how many lives it has saved).

Tomorrow, our Road Traffic Inspectorate team will share achievements and successes of the operation.
