

ON SALE FOR R2000 ONLY - four (4) digits personalized licence numbers: Duma is informing motorists of this rare opportunity to buy personalized license numbers and warns against illegal sale via social media platforms

Media and Public Statement by the MEC for Transport and Human Settlements, Siboniso Duma

02 June 2026

Inkosi Mhlabunzima Maphumulo House: We wish to inform the people of KwaZulu-Natal, especially motorists of the following dates for the purchase of four (4) digits personalized licence numbers:-

- 09 June 2026 at the Choice Numbers offices in Pietermaritzburg.
- 18 June 2026 at the Umbilo Provincial Registering Authority in Durban.

These will be sold on a first-come, first-served basis for motorists residing in Pietermaritzburg and Durban only.

To avoid disputes, customers will be required to come in person at the above-mentioned venues to procure. The following documents will be required:

- Proof of address;
- Copy of owner's ID;
- Application Form to reserve personalised licence number (Will be provided at the venue)

Importantly, we wish to indicate that we have a very limited number of personalised licence numbers available, hence, customers will only be allowed to buy one personalised number, each.

We will continue to search for more available four (4) digits personalised licence numbers to be sold to motorists residing in Empangeni and Ladysmith respectively.

Critically, we wish to warn motorists to refrain from purchasing personalised vehicle licence plate numbers via social media platforms.

As stated in the past, this practice is illegal and in violation of the National Road Traffic Act. Only the MEC for Transport may establish a personalised licence number system in the province.

I delegated this function to the Motor Transport Service's Choice Numbers Section, which remains the only section authorised to sell personalised licence numbers in the province.

A motorist who purchases a personalised number through the Department's Choice Numbers section must sign an acknowledgment that the number will be relinquished to the MEC if no longer required.
