PROVINCIAL TRANSPORT MANAGEMENT (PTM) CIRCULAR NO 6 OF 2006: CHANGES TO THE TRANSPORT SYSTEM

1. Please be advised that the modules on the Transport System have been reviewed to determine the usage of the various modules against the associated costs which this Department currently incurs on a monthly basis. Upon investigation it has been established that the following modules are no longer required due to non-usage:
 - Fleet Management Auto Sub
 - Subsidised Vehicles
 - Purchase Order Tracking System
2. A request has therefore been made to SITA to disable the abovementioned modules. It must be mentioned that this Department has been paying approximately R150 000 per month in lieu of costs associated with the Transport System.
3. The “Transport Subsystem” and “Pool Vehicle Billing System” modules will however be retained.
4. Submitted for your information. Kindly ensure that the contents of this circular is brought to the attention of all relevant officials within your Department.
