MOTORPLAN OVERVIEW

BMW Motorplan upholds our tradition of excellence by ensuring your peace of mind. Maintenance, repairs and other beneficial services are all included with the purchase of Motorplan.

This uniquely South African innovation in car service and maintenance was introduced by BMW in 1985 and is standard on every new BMW.

BMW Motorplan

The standard contract of 5 years /100,000 km (whichever occurs first) is built-in with every new BMW.

The Benefits of BMW Motorplan

Motorplan provides you with the peace of mind in knowing that your vehicle will be attended to by qualified technicians, using advanced technologies, and genuine BMW parts.

BMW Motorplan includes:

- All maintenance and repair work stipulated in the BMW vehicle service booklet.
- All repairs and costs of parts from normal wear and tear.
- All oils, brake fluids and other lubricants replaced during a service.
- Access to 24-hour roadside assistance (BMW On Call).

BMW Motorplan excludes:

- All alterations, modifications, accessories, tyres, glass, soft-top canvass, and accident damage.
- Any repair work resulting from the owner's negligence or abuse.
- Paint, body and trim repairs.

BMW Motorplan Renewal

Your peace of mind does not have to come to the end of the road. Motorplan can be renewed up to 7 years/200,000 km, the most extensive option available. However your Motorplan renewal must be taken up before the current one expires.

The added benefit is that you pay at current prices for future services. Motorplan is transferable to another owner should you sell your BMW.
