Attention: **Chief Director**

Dear Sir or Madam:

RT 57/2007 CV: SUPPLY OF MOTOR VEHICLES, LIGHT AND HEAVY COMMERCIAL VEHICLES, BUSES AND MOTOR CYCLES

DaimlerChrysler South Africa (Pty) Ltd (DCSA), the world-renowned Automotive Manufacturer and service provider, thanks the Office of the State Tender Board for the opportunity to tender for the supply of various vehicles.

DCSA is confident it has the experience, maturity and resources to play a responsible role in providing and delivering a full response, in accordance with the Tender Request, which supports the Office of the State Tender Board in delivering essential services.

Compliance of RT57/2006BID respondents to the National Industrial Participation Programme (NIPP)

DaimlerChrysler South Africa confirms that we will gladly comply with the NIPP requirements. For further information regarding DCSA's NIPP compliance please do not hesitate to contact us.

General Representatives of
Mercedes-Benz, smart, Maybach, Chrysler, Jeep, Dodge, Mitsubishi Motors,
Freightliner, FUSO and Western Star vehicles in South Africa
(Reg. No. 1962/000271/07)

Mercedes-Benz Passenger Cars

Please note that the C-Class sedan on offer within the tender document is the new, W204 C-Class, which is scheduled for launch during the 3rd quarter of 2007. As we haven't received the specifications on the new model range, we have used the existing specifications of the current C-Class for the tender. The B170 is also currently unavailable for retail, but will shortly become accessible. Please note that the attached brochures therefore do not include information on the new C-Class Sedan and B170.

Mitsubishi Motors

The Mitsubishi Double Cabs will be available for a limited time period during the RT57 2007 tender period. The 2.8 TDi Rodeo 4x2 will be available in small quantities until the end of 2007, whilst the 3.0l Rodeo 4x4 will be available until approximately mid-year 2007.

We are privileged to be part of this exciting process and look forward to a mutually beneficial partnership.

Section 1:

Executive Summary

1.2 DaimlerChrysler SA Commercial Vehicles

- **Mercedes-Benz Commercial Vehicles**
- **Mitsubishi FUSO Commercial Vehicles**

1. Executive Summary

DaimlerChrysler South Africa (Pty) Ltd. (DCSA) together with specialised Body Builders, are proposing high quality solutions that comply with the Contract Management's requirements. DCSA manufacture premium product ranges in the automotive field, which we would like to offer you.

1.1 Item Questionnaires

All MANDATORY fields (carry the "Yes" indicator) **must** be completed.

All MANDATORY fields (carry the "No" indicator) **must** be completed with the following indicators

- **1** - if the item or service is offered as a standard option
- **2** - if the item or service is not offered as a standard item
- (Fill in the monetary value if the item is available as an option, in the currency of your preference).
- **3** - All items marked with a Three (3) indicates that it is on offer, but refer to covering letter

2. DCSA Commercial Vehicle Brands

We offered products from both our **Mercedes-Benz** and **Mitsubishi FUSO** commercial vehicle ranges as per the requirements of the tender specifications.

3. Product Offering

Provided in the Table below are the vehicles DCSA have proposed for the Office of the State Tender Board.

5. MERCEDES-BENZ VITO AND SPRINTER MODELS IMOBILISER SYSTEM

Both Mercedes-Benz Vito and Sprinter model ranges are equipped as standard with an immobiliser transponder in the key. This is to prevent the starting of the vehicle if the transponder do not corresponds with the vehicle.

The gearshift lever for both the Vito and Sprinter is located in the dash and which do not provide for the installation of gear locks.

6. MIRCODOT (DataDot Technology Ltd) OF VEHICLES ORDERED FROM THE RT57-2006 CONTRACT

DaimlerChrysler SA will arrange for DataDot Technology to apply microdots to vehicles ordered from the RT57-2007 contract at an additional cost of **R 995.00** inclusive of VAT.

7. SPECIAL CONDITIONS – EMERGENCY VEHICLES

- All the required documentation required will be issued with each vehicle delivered to the end user.
- Our warranty conditions as per the warranty booklet supplied with each vehicle will apply to emergency vehicles.
- DCSA has selected a number of body builders to carry out conversions on our products and will select a body builder in consultation with the end user. However, DCSA reserves the right to have the conversion done by a converter best suitable to ensure production capacity, quality, compliance to tender and DCSA specifications, after sales service and any other reason deemed necessary at the time of placing the orders. DCSA offers the same price for the conversions offered no matter which body builder is selected.
- The converters of ambulance and command vehicles will provide an on-site repair service within reason and depending on the extent of the damage / failure, while the vehicle is under the 12 month warranty.
- DCSA will insist that the proto-type must be signed off by the end user upon completion for any batch orders. We would also request that the end user would inspect the vehicle at the converter within three (3) working days upon receipt of notification, either from the converter or DCSA.

8. LIST OF BODY BUILDERS

DaimlerChrysler SA has selected the below listed of Body Builders to carryout body building, conversions and equipment supplying to our Mercedes-Benz and Mitsubishi products:
