Dear Sir

RE: RT57/2006-CV

Further to the attached completed documents relating to the above, we wish to clarify the following;

**1. PRICING**

We have quoted NON-FIRM prices subject to the conditions of section eight (8) of the Special requirements and conditions of the contract. The quoted prices are inclusive of VAT and delivery of the motorcycles to your nominated depot.

## **2. DELIVERY**

The units will be delivered ready for use to the relevant depot by one of our nationally appointed official dealer. The same dealer will be responsible for all the after sales, warranty and servicing responsibilities. All these will be done under our supervision.

## **3. OFF ROAD QUADRACYCLES**

The ATVs come standard with headlamps, tail lamps and speedometer and are built for off-road use only, if for some reason a department wants these fitted with indicators, mirrors, hooter etc a kit can be purchased at an extra price of R3990.00 Vat and fitting included

## **4. WARRANTY**

All our motorcycles are backed by a twelve month unlimited mileage warranty. Our official Yamaha dealer in the area will gladly assist you on all your warranty needs. (Dealer list attached)

## **5. PAYMENT TERMS**

Payment should be effected 30 days from the date of delivery. Interest is charged at prime plus 2% per annum on all unreasonably overdue accounts.

## **6. EQUITY OWNERSHIP AND EMPOWERMENT**

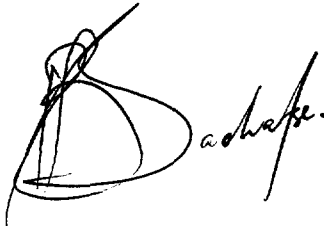

Yamaha is a fully owned subsidiary of McCarthy Limited and the latter is 100% owned by the Bidvest Group Limited.

The Bidvest Group Limited has a 41,4% Economic BEE Ownership and a 29,2% Effective BEE control. This giving it a A rating as per Empowerdex, see attached documents or attachment marked "B"

We trust the above meets with your requirements and assure you of our best attention to your valued business at all times.

Yours faithfully

YAMAHA DISTRIBUTORS
