Tax Clearance Certificate

We have submitted our tax Clearance together with our Standard Bid Documents in Section 1.

Local Content

We have attached a document to form number SDB 6.4 indicating local content on our offer as per item number together with our Standard Bid Document in Section 1.

Dealer List

Section 2 of our bid contains our entire dealer list and also identifies BEE Dealers.

Delivery Charges

Sections 3 and 4 contains our delivery charges as defined in section 4.4 and also paragraph 10.3 (g).

Service Plan Details

Section 5 contains our Service Plan Details as required in paragraph 10.4 (c).

List of Deviations

Section 6 contains our List of Deviations from the specifications as required in 11.3 (b).

List of Body Builders

Section 7 contains a list of our Body Builders as required in 11.3 (c) and their respective Tax Clearance Certificates.

Details of Vehicle Warranties

Section 8 contains full details of our vehicles' warranties as required in paragraph 11.4 (a).

BEE / Employment Equity

We have submitted details of our BEE / Employment Equity achievements and projected outcomes in Section 9.

Preferential Procurement Policy Framework Act

We have attached a copy of the Causal Agreement between Nissan South Africa (PTY) LTD and the Government of the Republic of South Africa (through it's Department of Trade and Industry). The document is almost in its final stage of agreement. Nissan South Africa commits to make the completed document available to the Office of the State Tender Board upon final agreement. This document forms part of section 9.

Alarm Immobilizers

All Alarm / Immobilizers fitted to Nissan vehicles meet or exceed the requirements as specified by the South African Insurance Association. (S.A.I.A.)

Delivery

We will honour delivery as stated in the tender documents notwithstanding any unforeseen circumstances, such as strikes, etc, which may prevent us from doing so. We undertake to timeously advise all purchasers concerned in the event of any such occurrences.

Pre-Delivery Service / Petrol

Our prices include the pre-delivery service and fuel to the value of R100-00. All other services are for the account of the purchaser.

Parts Availability

We have included a list of our dealers who have a substantial holding of parts for Nissan vehicles. The value of our inventory stock is R67 million. Nissan SA guarantees a 10-year parts supply following final production of any vehicle sold in South Africa.

Data Dot

We offer application of DataDot on our premises as per the requirement from the S.A. Police Services. The costs thereof will be fixed at R798.00 (Incl VAT) across our model range. The database will be maintained by DataDot Technology Ltd.

Training

We offer beginner to advanced technical training at our Midrand Training Facilities. Costs to learners will be limited to travel and accommodation / meals. We also provide assistance to Government and S.A. Police garages who wish to comply with Nissan standards and accredit their workshops accordingly.

Changes in Specifications

Nissan SA reserves the right to effect specification changes when and where necessary in order to remain competitive within the South African vehicle market. As per the rules of tender, we can not raise prices if the specification level is enhanced or drop prices if the specification level is lowered. We will only claim this right in terms of aesthetic changes such as alloy wheels, roof racks, painted bumpers, spot lights, boot spoilers etc. Comfort or safety components such as air conditioners and ABS braking will be not affected by this claim in the event of the specification level being lowered by Nissan SA.

Brochures

Detailed brochures for all categories of vehicles offered are enclosed. These brochure are also subject to the afore-mentioned specification changes.

We trust that our bid meets with your favourable consideration and wish to assure you of our best attention at all times.

New Nissan Vehicle Warranty Information

Nissan South Africa warrants to the first retail purchaser of each new Nissan Light Commercial / Passenger and Sports utility vehicle that the vehicle manufactured or assembled by Nissan and delivered by an authorised Nissan Dealer will be free from defects in material and workmanship under normal use and service for a period of 36 (thirty six) calendar months or 100,000km's from date of sale.

This is **not** applicable to 1400 LDV and Cabstar 20 as the Warranty period is 12 (twelve) calendar months irrespective of km's.

General Conditions

In terms of this Warranty, Nissan undertakes to provide free repair and/or replacement of defective materials or workmanship where the liability of Nissan has been approved by an authorised Nissan representative. Any work done or material to be supplied by Nissan in terms of these Warranties will be provided at the discretion of Nissan at premises appointed by Nissan. It shall be at the discretion of Nissan whether to repair or replace any defective components or materials.

Repairs and services must only have been performed and recorded by authorised Nissan service providers in accordance with the recommended service programme described in the "Warranty Information and Maintenance Booklet" ie Service intervals and scope of work.

This Warranty is subject to the extensions and exclusions referred to in the "Warranty Information and Maintenance Booklet".

Yours sincerely
