PROVINCIAL TRANSPORT MANAGEMENT (PTM) CIRCULAR NO 11 OF 2005: PAYMENT OF CAPITAL REMUNERATION FOR SUBSIDISED VEHICLES: ACCESS TO PERSAL

1. As you are aware, the Motor Transport Services Directorate (MTS) has been in liaison with PERSAL, requesting on behalf of the user Departments in the Province, that Departments be given access to PERSAL in order to instate the capital remuneration and Wesbank deduction.
2. Correspondence received from PERSAL indicates that all Provincial Departments in KwaZulu-Natal have the required access on PERSAL to instate allowances and deductions for Subsidised vehicles. The correspondence further indicates that the Directorate: Persal Management can't prescribe to any Provincial Department where this functionality should be performed. Departments must therefore decide on whether the DTO or the Human Resources section must perform this function. It would appear that this function cannot be performed by both parties.
3. It is therefore recommended that, once a decision has been made regarding who will perform this function, requests of this nature be directed to the respective Departmental Persal Controllers in order to obtain access to the required functions.
4. Submitted for your information and attention.
5. Kindly bring the contents of this circular to all relevant officials within your Department.
