## FESTIVE MESSAGE

During the Festive Season millions of people travel to – and through our province on vacation and home. Many of us get to spend quality time with our families and friends. But this is also the time when we experience an increase in traffic volumes, which calls for all road users to be extra vigilant.

As the government of KwaZulu-Natal, we want you to have a safe holiday and enjoy the beauty of our province. In order to ensure this, we must all embrace that “Road Safety is Our Collective Responsibility”.

We appeal to motorists and all road users to be extra vigilant and strictly respect road traffic rules. Our law enforcement officers will maintain high visibility on our roads across the province.

These include traffic officers from RTI, SAPS, SANDF and municipal traffic officers – who will be working day and night to prevent road crashes, which rob us of many innocent lives.

We call on all citizens to appeal to their consciences, so we can stop the road carnage, root out crime and all social ills from our communities.

We urge our communities to work together with the police to ensure that our visitors and all the citizens of KwaZulu-Natal have a safe and memorable Festive Season. Working together, we will defeat crime and end road carnage.

***I wish you a safe, joyful and peaceful holiday season.***

***KwaZulu-Natal – Advancing People’s power to reduce road crashes and fatalities as well as to defeat crime!***

**“ROAD SAFETY IS OUR COLLECTIVE RESPONSIBILITY”**
