I-Taxi Recapitalisation Programme

Ngivumeleni ngazise le Ndlu ngosekwenziwe mayelana nokuhlelwa kabusha kwemboni yamatekisi. Lolu hlelo lusahamba ngakho. Imibandela yokwakhiwa kwezimoto isishicilelwe kusomqulu kahulumeni, uzokwamukelwa ekupheleni kuka-April 2005. Lokhu kuzobe sekunika izinkampani ezikhiqiza izimoto ithuba lokwakha izomoto ezizohlangabezana nale mibandela. Somlomo, ngicela ukuchaza kule Ndlu ukuthi zisithola sesengamele izindaba zokuthuthwa kwezingane zesikole siphinde futhi sibhekane nodaba lwamaveni ahambisa izingane esikoleni. Kumele ikuqaphele le Ndlu ukuthi lokhu akuwona umsebenzi woMnyango. Emizamweni yokulungisa lesi simo kube nezingxoxo phakathi kwezikhulu zoMnyango wezokuThutha nowezeMfundo. Umphumela walezi zingxoxo kwaba ukubunjwa kwekomiti elihlanganise amalungu ale minyango. Leli komiti lizobheka izinto ezithinta le minyango. Siyethemba ukuthi lolu daba luzofika esiphethweni manje ngendlela ezohlomulisa abathintekayo.

Ukuthuthukiswa kwezomnotho

Ngenkathi uhulumeni ezibophezele ekuthuthukiseni osonkontileka abasafufusa, ngabe ukwenza okungadingeki uma sigcina abantu abafanayo emnyangweni isikhathi esingaphezulu kweminyaka emithathu. Izinkomba zithi ngalesi sikhathi amabhizinisi amaningi asuke esesimeme, esekwazi ukuqhudelana ezimakethe ezinkulu. Uhulumeni ungowokwakha isimo esivumela ukuba wonke umuntu athole amathuba, amakhono nesipiliyoni, hhayi ukwakha amamillion kumuntu oyedwa kusale abaningi ngaphandle.

Ngithanda ukuphawula kafushane ngokwenziwa uMnyango wami mayelana neBlack Economic Empowerment, ukudalwa kwemisebenzi, ukulinganisa ngokobulili nentuthuko edidiyele ezindaweni zasemakhaya. Angeke ngisalokhu ngigxila ebuhleni bezinhlelo ezaziwayo nezihlonishwayo uZibambele, uVukuzakhe, ARRUP, Asiphephe nezinye enizaziyo. Mangengeze Somolomo ngithi ukuqhutshwa ngempumelelo kwezinhlelo iRoad to Wealth and Job Creation Initiative – kakhulukazi uZibambele noVukuzakhe sekwenze imiphakathi yayidinga kakhulu imigwaqo. Ngempela uhlelo lwethu lwe-Afrcan Rennaissance Road Upgrading Programme (ARRUP) seluvule amehlo kabusha kubantu basemakhaya KwaZulu-Natal

ngokuthi umnotho namathuba emisebenzi kungadaleka ngokulethwa kwemigwaqo eyakhiwa isuka ebhuqwini kuya etiyeleni. Ngeshwa-ke, ukufakwa kwetiyela iliqinile kudla uR3 mllion ngekhilomitha nokwenza ukusabalalisa imigwaqo yetiyela kungabi lula okwamanje.
Nazi izinhlelo zentuthuko ezimbalwa zakamuva eMnyangweni wami.

- Ukubhekwa kwezinto ezingamalungelo sekuphothuliwe kumalungu kaZibambele ezifundeni saseThekwini naseMgungundlovu, ukuqinisekisa ukuthi bangazithola yini izimpesheni zikahulumeni. Lolu lwazi luzosetshenziswa ekutheni uMnyango wezeNhlalakahle uthole imininingwane yalaba kalula ngaphandle kokuchitha imali eningi. Ukubhekwa kwamalungelo kuzosabalaliswa neKwaZulu-Natal esikhathini esizayo.

- Bonke osonkontileka bakaZibambele sebezihlelile baba bamaqembu okonga imali. Indlela enobuhlakani engasetshenziswa nasezinhlelweni zeminye iminyango zokulwa nobuphofu.

- UMnyango wezokuThutha KwaZulu-Natal usuphinde waba ngungqaphambili esifundazweni ngohlelo lukaZibambele. Kuyajabulisa ukubika kule Ndlu ukuthi uMnyango wezokuThutha kuzwelonke usuthembise ukuthi uzoluthatha lolu hlelo uluqhubele phambili. UNgqongqoshe uJeff Radebe ngokubambisana noMqondisi Jikelele uNks Mpume Mpofu sebeyalele yonke iminyango yezokuthutha ezweni ukuba ilufake lolu hlelo lukaZibambele eminyangweni yabo.

- Sesihlonze umhlaba, ezolimo, amanzi nezinye izinto eziyintuthuko ezihambisana nokwakhiwa kwemigwaqo, njenge-ARRUP neRoad for Rual Development Programme. Ngaleyondlena, isibonelo, kwiNongoma Project ebandakanya ukulungiswa kwemigwaqo engoMain Road 235, 49 no52, le zinhlelo sezenziwe noma zisahlelwa ngaphansi we-ARRUP neRRDP:

- Idolobhana elincane laKwaHlabisa selithole ukuphepha ngokwakhelwa izindawo zokuhamba eceleni komgwaqo, izindawo zakhonkwa kwakhelwa nabezentilasipoti yomphakathi ingqalasizinda.

Ukusungulwa komzila wokuhambisa intuthuko (Develpment Corridors) kube impumelelo ngokubambisana kukahulumeni wesifundazwe nowasekhaya nomphakthi wonkana. Le mizila ye-ARRUP igcina ngokwenza iminyango ehlukene kahulumeni ibambisane ekuhleleni ukulethwa kwezidingo kubantu. Ukuthuthukiswa kwale mizila kugqugquzela indlela yokulwa nobuphofu ngokuhlanganyela.

Uhlelo lwe-Expanded Public Works Programme

Somlomo

Ikhabhinethi laKwaZulu-Natal liholwa nguNdunankulu libeke umsebenzi we-Expanded Public Works Programme phezu kwamahlombe oMnyango wami. Ngizothanda ukubonga le Ndlu ngokungethemba ngifise nokuthi sengathi ngingayithatha kahle le nselelo, noMnyango uzolunika indawo elufanele lolu hlelo.

Sekutholakele ukuthi izinga lokuswela imisebenzi eNingizimu Afrika isimo esidalwa ukuhlelwa kwezinto. Ngaleyo ndlela akusona isimo esidalwa isikathi soguquko, asizokuba nagalelo kulokhu ngaphandle uma sakha imigomo nezinhlelo ezizohlale zakha umnotho. Kumele sizihlelele eyethu i-Expanded Public Works Programme ngendlela yokuthi sivule amathuba okwenza inzuzo ezingeni losomabhizini abancane nabakhulu. Lokhu kumele kwakhe isimo lapho imisebenzi iba ngaphezulu kwabayidingayo.

Umbiko wakamuva kasomnotho owaziwayo eNingizimu Afrika uveze ukuthi ukube iNingizimu Afrika ibingakwazi ukwehlisa ukuntuleka kwemisebenzi ngengxenye ngo-2014, imisebenzi engu-3,7 million ingabe seyidalekile.

Ngicabanga ukuthi singavuma ukuthi ngempela lokhu kubala kumsulwa. Kuyinselelo kakhulukazi kosopolitiki nosomabhizini baKwaZulu-Natal kakhulukazi njengoba iKwaZulu-Natal iyisifundazwe esinabantu abaningi eNingizimu Afrika.

Ngokucacile ukuqhutshwa kwe-EPWP kumele kuphumelele ekwakhiweni kwemisebenzi, kuhehe amaSMME kwakheke namathuba okuziqasha. Isabelomali saKwaZulu-Natal njengoba sethulwe nguMhlonisha uDkt Zweli Mkhize, kumele sisetshenziswe ngokunakekela nangendlela ezokwakha umnotho wethu.

Ekuqhubeni i-EPWP sizophakamisa ukuthi izakhiwo zomphakathi njengezibhedlela, imitholampilo, izikole, imitapo yolwazi, am-multi purpose centre, umhlaba wokulima, iziteshi zamaphoyisa nezindlu zemixhaso nokunye zakhiwe ngokulandela uhlelo lokwakhiwa kwemigwaqo ukuze kufinyeleleke kalula kuzona. Izimbizo

Somlomo, kuyangijabulisa ukuthi ngazise le Ndlu ukuthi ngokulandela uMthethosisekelo ogqugquzela ukubamba iqhaza kwabantu, sizoqhubeka nezimbizo. Inhloso yezimbizo ukuvumela umphakathi ukuba uxoxisane nohulumeni nokuletha uhulumeni kubantu. Uhulumeni ubonakala njengomuntu ngezimbizo njengoba abantu bethola ukuthi abantu ababakhethile bayabanakekela bakhulume nabo, balalele, baphendulane nabo.

Izimbizo ziyingxenye yokuthi kulethwe izimpendulo. Impumelelo yokulethwa kwezidingo izwakalwa ngazo izimbizo. Ukuzwa imibono yomphakathi kusiza uhulumeni ngokuthi azi izidingo ezihamba phambili enze nezinqumo njengokusho kwabantu ukuthi imali kumele ifakwe kuphi kanjani.

Ukuhlanganiswa kweMinyango

Kuyintokozo kimina Somlomo, ukuba ngimemezele ukuthi ukuhlanganiswa koMnyango wezokuThutha nowezokuPhepha nokuXhumanisa uMphakathi ngaphansi kobuholi obubodwa sekulikhuphulile izinga lokusebenza hhayi nje amacala omgwaqo kodwa nawobugebengu.

Ukuqapha emachwebeni sekuzokwenziwa iSouth Afrcan Police Service. Lokhu kulekelelwa umsebenzi ohlongozwayo wesikhungo sokuhlola izimoto emachwebeni. Ngokobufakazi, le ndlela yokutshala amaphoyisa emachwebeni akungabazeki ukuthi izobuqeda ubugebengu obuxhumene nemisebenzi yasemachwebeni.

Ukuhlangana kweminyango emibili sekulethe impumelelo ekuphoyiseni nasekulawuleni izimoto. Imikhankaso eyenziwa ndawonye (RTI neSAPS) isithele izithelo. Lokhu kuholele esiqubulweni esithi “Sinqanda ubugebengu busesemgwaqeni”. Ngingasho ngokunganazi ukuthi ilokhu kuhlangana osekubeke iKZN njengesifundazwe esiphoyiswa kangcono eNingizimu Afrika, ngo-2004 sathola uB ezinye zithola uC.

Ngivumele Somlomo ukuba ngethule nasi iSabelomali Vote 12 (R2, 198 billion) ngohlelo ngohlelo

Uhlelo 1: Imisebenzi yasehhovisi (R95 691 million)

Umgomo walolu hlelo ngulekelela ukuthi kwenziwe kahle imisebenzi yoMnyango neHhovisi likaNgqongqoshe nokuhlelela umphakathi uthole ukusizakala lapho kungekho nkohlakalo nakukhwabanisa.
