Lona kusengumsebenzi omasipala bethu okumele bawubheke ekuhleleni ukusebenza kwezithuthi zomphakathi, ekuthuthukisweni kwengqalasizinda nasekusetshenzisweni komhlaba.

- Ngokwe-National Land Transportation Transition Act (NLTTA), ukuhlela nokufaka ingqalasizinda yezithuthi zomphakathi ngumsebenzi womasipala. Kodwa omasipala abancane abakwazi ukwenza lokhu ngenxa yokuntuleka kwamakhono.

- Kungakho-ke uMnyango wezokuThutha ubulokhu ulekelela ngezimali nobuchwepheshe kubo bonke omasipala kule minyaka yezimali edlule. Kodwa-ke lokho obekwenzeka bekuba ngukusiza ekuhleleni kungafiki ekwakheni uqobo.

- Sesiyazi ukuthi kwezinye izindawo kukhona abasebenzisa ubuqembu ekuletheni izidingo. Njengomphakathi kumele ningavumi ukusetshenziswa ngosopolitiki nezisebenzi zikahulumeni ezisebenzisa ubuthaka benu ukuzihlomulisa zona kwezepolitiki.

- Ngenkathi kungena uhulumeni wentando yeningi ngo-1994, inselelo esibhekane nayo akubanga nje ukulungisa ukungalingani kwaphambilini kuphela, kodwa kudingeke sibhekane nezinselelo ezilethwa ubugebengu, ingculazi, ububha, ukuntuleka kwemisebenzi nokunye.
