- Kodwa ngiyazi ukuthi le nkinga isivelile kulo msebenzi waseMhlangane osekuholele ekutheni kuhlakazwe iProject Liaison Committee (PLC), ikomiti elibhekele ukusizakala komphakathi. Namhlanje kumele ngicacise kahle ukuthi uMnyango wezokuThutha KwaZulu-Natal unesibopho ngokomthetho sokuthi ubhekele isimo sezokuthutha esifundazweni.

- Lokhu kuhlanganisa, phakathi kokunye, ukwakha amabhuloho nemigwaqo, ukuyilungisa, nokuyigcina isesimweni esifundazweni sonke. Ngakhoke asidingi ukuze sitshelwe ngumuntu othile ukuthi siyifake nini imigwaqo namabhuloho. Kodwa-ke uMnyango uhlale uzimisele ukusiza omasipala, ikakhulukazi ngolwazi, uma behlela ukwakha imigwaqo.

- Lokhu kungumgomo wethu ukuthi uma kwakhiwa kumele umphakathi wendawo kube yiwona ohlomulayo kwezomnotho lapho osonkontileka bethola zonke izinto zokwakha khona endaweni futhi baqashe ochwepheshe, esithi ama-artisan nabasebenzi bakhona emiphakathini eseduzane.

- Ukwakhiwa kwala mabhuloho kulethe ushintsho ezimpilweni zabantu bakule ndawo njengoba:
