Kuyadabukisa-ke nokho ukuthi kulesi fundazwe sethu konke lokho kusho ukwenyuka kwenani lezimoto, okuhambisana nezingozi zomgwaqo. Isikhathi sokugubha kwamakholwa namalunga eminden engahlali ndawonye evakashelana ngalesikhathi siphenduka usizi kweminye imizi.

Yingakho sithatha leli thuba futhi sidlulise ukubonga ezintombini nezinsizwa zakithi ezihlale zichitha amaholidi zisebenzela ukuphepha kwethu sonke emgwaqeni.

Sibonga amaphoyisa omgwaqo nawe-South African Police Force (SAPF), abama-ambulensi nabasebenzi basezibhedlela ngomnikelo abawenzayo egameni lokuphepha kwethu.

Isikhathi sePhasika salo nyaka sithe ukwehluka ngokuthi sifika lapho, njengomnyango wezokuThutha KwaZulu-Natal, sisanda kuba nembizo yezokuphepha emgwaqeni esithi i-Road Safety Summit. Le summit ibiyingxenyenye yezinhlelo zokuxoxisana ezisiza uMnyango nezinhlaka osebenzisana nazo ukuba sibhekane kangcono nezinselelo emigwaqeni yethu, ikakhulukazi lezo ezibeka ukuphepha kwethu enkingeni.

Ngakho-ke uhlelo Iwezokuphepha esilwethula namhlanje siluthatha njengesiqalo sohlelo olubanzi Iwezokuphepha emgwaqeni ngokulandela izinqumo zembizo ebacinayo. Lona ngumcimbi oydingxenyenye

yomkhankaso obanzi wokufeza izinjongo zale mbizo yezokuphepha ezibhekene nokunqanda ukufa kwabantu emigwaqeni yethu.

Manje esikushoyo-ke futhi lapha kunina njengomphakathi ngukuthi lesi sikhathi sifika lapho sesihlonze lo nyaka njengonyaka womnyakazo wabantu ekulweni nezingozi nokwephulwa kwemithetho yomgwaqo, esithi i-Activism Against Road Carnage and Transgressions.

Lokhu kusho ukuthi sifuna ukugqugquzela abantu ngamunye kanye nomphakathi wonkana ukuba babambe iqhaza ekunqandeni izingozi emgwaqeni. Sithi izingozi azizenzekeli kodwa ziyanziwa.

Yingakho-ke ngithatha leli thuba ukuba nginxuse umuntu ngamunye ngamunye kinina ukuba nikhombise ukuzibophezelu kwezokuphepha emgwaqeni ngokuthi nesekele lo mkhankaso esiwethula namuhla.

Sinqume ukuletha lo mcimbi kinina njengomphakathi ngoba sifuna kube nokubambisana ekulweni nezingozi zomgwaqo ngesikhathi sePhasika nangemuva kwalo.

Esikuqondile lapha ngukuqhakambisa isidingo esiphuthumayo sokuba siqwashisane noma sisodwa ukuthi uma sisebenzisa umgwaqo siziphatha ngendlela enokuphepha nokuthi ukuphepha emgwaqeni kungumsebenzi wethu sonke.

Ucwaningo emisebenzini eyenziwa amaphoyisa omgwaqo kule minyaka emibili edlule (2008/09 – 2009/10) luveza izinga eliphezulu lezaphulamthetho kodwa ezingazitholi izijeziso emigwaqeni yethu. Abashayeli yibona abayinkinga enkulu uma kukhulunya ngokungagcini imithetho yomgwaqo.

Izinto ezibonakala zihamba phambili ekudaleni izingozi KwaZulu-Natal yijubane, ukushayela uphuzile, izimoto ezingekho esimweni esifanelekile sokuba semgwaqeni, kanye nemikhutshana eyenziwa ngenkathi umuntu eshayela, njengokungafasi ibhande, ukukhuluma kwi-cell phone ushayela, nokulayisha ngokweqile.

Izingozi zomgwaqo nokufa kwabantu emgwaqeni ikakhulukazi, kuba nomthelela omkhulu kulabo abayizisulu. Abantu abafa emgwaqeni kuvame ukuba ngabasebenzi, abafundi nabantu abondla iminden. Iningi lalabantu lisuke lingamalungu omphakathi anesandla ekukhuleni komnotho wezwe lethu.

Ngaphezu kwalokho, izingozi zomgwaqo zidla uHulumeni izigidigidi zamarandi (billions), okuyimali okumele ngabe isetshenziswa ukuletha izidingo emphakathini kwensiwe ngcono izimpilo zezakhamizi zalelizwe.

Bafowethu nodadewethu, senginimemile nina ngamunye ngamunye ukuba nikombise ukuzibophezelwa kwezokuphepha emgwaqeni. Manje mangithathe leli thuba ngibonge zonke izinkampani nezinhlangano ezizimele ezibambisene nathi singuHulumeni. Lolu hlelo sithi i-Public Private Partnership.

Ngenxa yalolu hlelo sesiyakwazi ukuthi sisebenzisane nezinkampani ezifana ne-South African Breweries (SAB), esifisa ukuphinda siyibonge ngokungenelela ngama-Alcohol Evidence Centres, okuyizikhungo ezinama-breathalyser – okusho umshini okwazi ukufunda izinga lotshwala egazini ngaso leso sikhathi kusethenziswa umoya ophuma emlonyeni womuntu ngenkathi efutha, kuphume umphumela ongasetshenziswa nasenkantolo njengobufakazi.

Kuyintoko-ke kumina ukuba ngisho ukuthi namhlanje ekuseni siqale savula i-Evidence Centre yesine yoMnyango lapha kwa-RTI wasePinetown.

Ezinye izikhungo esezafulwa nezisebenza kahle ziseMgungundlovu, eMdloti nase-Port Shepstone. Kuze kube manje bangaphezelu kuka-3 400 abashayeli asebeboshwe kulezi zikhungo ngokushayela bephuzile.

Siphindile futhi sakha ubudlelwano neny yezinhlangano ezingekho ngaphansi kukaHulumeni, phecelezi, Non-Governmental Organisation (NGO) eyaziwa nge-South Africans Against Drunk Drivers (SADD), kanye nenkampani yabashicileli bamaphephanda i-Independent Newspapers.

Ngokubambisana sibe sesiqhamuka nomkhankaso esiwubiza nge - "Name and Shame Campaign," lapho siqonde khona ukuba amagama ezaphulamthetho ezishayela ziphuzile anekelwe izwe ephephandaben Isolezwe ne-Daily News. Lokhu kungukukhuthaza ukubambisana nomphakathi ekulweni nabantu abaphuza bese beshayela nokuthi labo abakwenzayo baziwe emphakathini wonkana.

Ngokwenza njalo sinethemba lokuthi sizokwehla isibalo esingemukelekile sabantu abafayo nabalimala emigaqweni ngenxa yalabo abaphuza bese beshayela.

Mphathi wohlelo, njengengxene yohlelo lwethu, wonke amaphoyisa ethu omgwaqo azobe esebenza ngelesi sikhathi. Sinezindawo esizihlonzile ezizohlale ziqashiwe nasebusuku. Ithimba likaShaneli lizobheka izithuthi zomphakathi, okuhlanganisa amabhasi ahamba amabanga amade, ukuze siqinisekise ukuphepha kwabagibeli.

Kuzokuba nezimvimbamzila ezahlukene esifundazweni ezididiyele i-SAPF, amaphoyisa omasipala nezinye izinhlaka zokugcinwa komthetho womgwaqo ezizobheka abashayela bedakiwe, izimoto ezingekho esimweni, ukulayisha ngokweqile kanye nobugebengu.

Ekuqiniseni izinsiza kwezokugcinwa komthetho, namhlanje sethula izimoto eziyisikhombisa ezintsha ama-VW GTI Golf azonikezwa iziteshi zakwa-RTI ezizoqondana ngqo nalaba 'abandizayo' emigwaqeni yalesi fundazwe.

Bakwethu, mangiphinde ngithathe leli thuba ngiyibonge kakhulu imiphakathi yase-Pinetown, ikakhulukazi lapha e-Mariannhill ngokusekela umkhankaso ka-Operation Hlasela. Siyazi sonke ukuthi ngasekupheleni konyaka odlule indawo yase-Pinetown namaphethelo ike yaggama ngezigameko zobugebengu ebezibikwa kuyona.

Kodwa ngendlela enibambisane ngayo neminyango kaHulumeni namaphoyisa njengomphakathi, siyanibonga kakhulu. Ngamaholide ka-December/January, silethe ithimba lamaphoyisa ebelihleli khona lapha eTshelimnyama esithole ukuthi nibambisane kahle kakhulu nalo. Siyanibonga ngalokho.

Senikhombisile ukuthi ngeke kulunge ukuthi iKwaZulu-Natal ihlale ihamba phambili ezweni uma kukhulunya ngezinto ezingalungile. Ngeke ukuthi njalo uma kukhulunya ngokufa kwabantu ngenxa yengculazi, izingozi zomgwaqo, udlame lwamatekisi nobunye ubugebengu, kubalwa iKwaZulu-Natali njengendawo ehamba phambili kukona.

Selokhu kwangena intando yeningi eNingizimu Afrika ngo-1994, yithina kuphela isifundazwe lapho kuke kwanenkinga ngemiphumela yokhetho lokuchibiyela ngenxa yokuthi abavoti basatshisiwe abanye bashaywa.

Yilapha KwaZulu-Natal kuphela lapho sike sabona kugwetshwa umuntu ngokuntshontsha amaphepha okuvota esefakwe uphawu.

Ngakho-ke siyayinxusa yonke imiphakathi esifundazweni ukuba iphumele obala iqinisekise ukuthi ngokubambisana siyasilungisa isifundazwe sethu. Masiqhubeka sisebenze bese sikhuleka ndawonye ngelesi sikhathi sePhasika sicele ukuphepha eNingizimu Afrika, kunciphe izingozi zomgwaqo kanjalo nobugebengu.

Ngiyabonga.
