Ngicianibingelela egameni leNkosi yethu uJesu Kristu.

Mangiqale ngokuthatha leli thuba ngixolise egameni likaMhlonishwa uMacingwane ophathiswe ezokuThutha kulesi fundazwe ongakwazanga ukuba yingxene yale nkono ngenxa yokuxinwa ngeminye imisebenzi yesizwe.

Sithanda kudlulisa ukubonga emindenini yalaba abasishiyle, ngokusivumela njengoMnyango wezokuThutha noHulumeni waKwaZulu-Natal ukuba sihlele le nkono yesikhumbuzo sabantu bakithi abasishiye kabuhluntu ngoLwesine olwedlule.

Kuyishwa futhi kuyadabukisa kakhulu ukuthi namhlanje sisenzweni yesikhumbuzo yesibili kule nyanga yabantu besifazane, lapho iningi labasishiyle kungabesifazane.

Le ngozi yenzeke ngoLwesine emini ngenkathi wona lo Mnyango wezokuThutha unenkonzo yesikhumbuzo eKokstad lapho bekudlule emhlabeni abantu abalishumi engozini yomgwaqo. Abayisikhombisa babo bekungabesifazane kuley ngozi njengoba lapha beyisishiyagalombili.

Nakuyo leyo nkondo sakhuluma kakhulu ngokubaluleka kokushayela ngendlela efanele. Sakubeka nako ukuthi okusempeleni izingozi zomgwaqo zenziwa ngamaphutha abantu asuke engagwemeka, njengoba isichazile iNhloko yoMnyango nangombiko wesikhashana ngale ngozi.

Okusihlupha kakhulu nje ngukuthi zonke lezi zingozi zibamndakanya amatekisi okuyimboni esesizame kakhulu njengoHulumeni ukuba sisebenzisane nayo ukunqanda izingozi zalolu hlobo kulesi fundazwe.

Okusempeleni kungelinye ishwa nje futhi ukuthi isifundazwe sethu saKwaZulu-Natal senza yonke imizamo yokuqinisekisa ukuthi abasebenzisi bomgwaqo bayaphepha ngokwakha imigwaqo emihle bese kuqiniswa imikhankaso yokuphepha emgwaqeni. Kodwa sisahubeka nokuhambelo izinkonzo zalolu hlobo.

Lezi zinkonzo zesikhumbuzo ziuhlelo loMnyango lokungelela ngokusiza uma kudlule emhlabeni abantu abayisihlanu kuya phezulu engozini eyodwa emgwaqeni.

Kodwa ngifisa ukucizelela ukuthi izinkonzo zalolu hlobo esizenayo ziysisibonelo nje sezinhlekelele ezihlale zithatha izimpilo ezingenacala ngezimpelasonto zonke emgwaqeni yaleli lizwe.

Ngakho-ke, lokungelela kwethu akuwuthathi kancane nomthelela omubi owenziwa ngukufa kwabantu abangaphansi kwabahlalu. Okusempeleni, sihlale shiso ukuthi “ukufa komuntu oyedwa emgwaqeni wethu ngukufa kwabaningi.”

UMnyango wezokuThutha KwaZulu-Natal ube nengqungquethela yezokuphepha ngoMarch walo nyaka esithi i-Road Safety Summit lapho besibheka izindlela ezingasiza ukuba sibhekane kangcono nezinselelo emgwaqeni yethu, ikakhulukazi lezo ezibeka ukuphepha kwethu enkingeni.

Phakathi kwezinqumo ezithathwe kule summit kuthiwe:

- Intsha kumele ihambe phambili ekushintsheni indlela yokuziphatha uma ishayela;
- Imithetho kumele iqiniswe njengoba izephula-mthetho zithola izijeziso ezincane;
- UHulumeni kumele abheke ukusungulwa kwezinkantolo zamacala omgwaqo ukuze izaphulamthetho kuzobhekvana nazo ngokukhulu ukushesha;
- Kumele kuqiniswe izifundo kwezokuphepha kanye nemikhankaso yezokuphepha emgwaqeni emiphakathini;
- Kunesidingo sokuba kuqiniswe ukulawula ngomthetho izikhungo zokufundela ukushayela;

Ngemuva kwalokhu, njengoHulumeni waKwaZulu-Natal sesethule ikomiti le-Integrated Traffic Law Enforcement Committee (ITLEC) elibhekene nokunqandwa kwezingozi kanye namacala okuyiwona aholela ekufeni kwabantu kulesi fundazwe.

Abazohamba phambili kulolu hlelo nguMnyango wezokuThutha namaphoyisa omasipala abehlukene esifundazweni. Leli komiti lizohola izinhlelo ezididiyele zokugcinwa komthetho esifundazweni, lenze ucwaningo oluzolekelela ekunciphiseni izinga eliphezulu lezingozi zomgwaqo kanye nokufa kwabantu.

Sifuna ukubona kuqinisa ukugcinwa kwemithetho yomgwaqo kuzo zonke izindawo kuhlanganisa nezasemakhaya, amalokishi nasemadolobheni. Lokhu kusho ukuthi siyawuqedo lo mkhuba wokuthi siqinisa imikhankaso yethu yezokuphepha emgwaqeni ngezikhathi ezithile zonyaka lapho umthamo wezimoto usuke umningi njengamaholide kaKhismusi nawePhasika.

Sifuna ukuqinisekisa ukuthi sinkanise yonke indawo ngezokuphepha emgwaqeni amahora angu-24 ngosuku, izinsuku ezingu-7 ngeviki no-365 ngonyaka.

NjengoHulumeni kumele siqinisekise ukuthi ukwephulwa kwemithetho yomgwaqo akuthathwa kancane manje. Uma sisenemithetho evumela umshayeli ophula umthetho womgwaqo abulale umuntu ongenacala, bese kodwa lowo mshayeli abekwe icala lokubulala engahlosile noma akhiphe inhlawulo – kuyacaca ukuthi lowo mthetho udinga ukubhekisiswa. Akumele sivumele ukungahlonishwa komthetho okulahlekisela abantu ngezimpilo zabo kulimaze nomnotho wethu.

Sizwile ukuthi lo mnumzane obeshayela itekisi eyenze ingozi eKokstad uvelile enkantolo kuthangi, abezokushushisa bambeke amacala ayishumi okubulala hhayi okubulala engahlosile. Icalalihlehliselwe uLwesibili oluzayo.

UMacingwane-ke uhlale egcizelela ukuthi kunezinto ezivamile eziholela ezingozini ezweni lethu, kuhlanganisa nesifundazwe sethu esihle, ngeshwa esesinegama elibi lokubulala abantu abanangi kunezinye izifundazwe, noma ngabe kungenxa yengculazi, ubugebengu noma izingozi zomgwaqo.

Uvame ukuthi izinto ezibonakala zihamba phambili ekudaleni izingozi yijubane, ukushayela uphuzile, izimoto ezingekho esimweni esifanelekile sokuba semgwaqeni, kanye nemikhutshana eyenziwa ngenkathi umuntu eshayela, njengokungafasi ibhande, ukukhuluma kwi-cell phone ushayela, nokulayisha ngokweqile.

Manje-ke, njengamalungu omphakathi kubalulekile ukuba sizigquqquzele ngamunye ngamunye nanjengomphakathi wonkana ukuba sibambe iqhaza ekulweni nezingozi zomgwaqo. Sithi izingozi azizenzekeli kodwa ziyanziwa, kanti ukuzigwema kungumsebenzi okumele siwubambisane sonke.

UMhlonishwa uNgqongqoshe wezokuThutha kuzwelonke uDkt Sbu Ndebele uhlale ethi “abaphilayo yibona abavala amehlo abangasekho bese kuthi abangasekho bavule amehlo abasaphilayo”.

Izigameko ezinjengalesi esihlangene ngaso lapha zisivula amehlo ngezinto ezenzeka emgwaqeni yethu. Yingakho-ke uMnyango unqume ukuthi usebenzise le nkono yesikhumbuzo njengenkundla yokunimema nonke lapha ukuba nikhombise ukuzibophezel a kwezokuphepha emgwaqeni ngokuba nesekele umkhankaso wethu.

Masivumelane sonke ukuthi namhlanje sakha ubambiswano oluzosithatha lusibeke esikhathini samaholide kaKhisimusi nangemuva kwawo. Noma ngabe ungumshayeli noma ungumgibeli, sithi sizoziphatha ngendlela sihloniphane emgwaqeni.

UMnyango uzobasiza abathintekile neminden ekulandeleni imigudu yokuthola usizo Iwe-Road Accident Fund. Lokhu kwenziwa mahhala, kodwa kumele sigcizelele ukuthi akusho ukuthi asibavumeliabantu ukuthi bazisebenzisele abameli babo mhlambe ababakhokhela nyanga zonke uma benabo. Esikushoyo ngukuthi senzela labo abadinga ukulekelelw bangaze baxhoshwe ngabanyeabantu abathi bayabasiza.
