## **BRIEFING NOTES FOR D2406**

Pay careful attention to page T4, T1.1 Tender notice and invitation to tender as the most important information is highlighted there. Note that an electronic AND hard copy must be submitted as requested in the tender notice. If both documents (electronic and hard copy) are not submitted the offer will not be acceptable

Pay special attention to all the pages that contain this heading -

 Failure to complete, sign and date this form or failure to acknowledge

 receipt of each Addendum issued or failure to return with the quotation

 submission a complete copy of each Addendum issued shall result in

 the quotation being considered non-responsive in terms of subclause

 F.3.8 of the Conditions of Tender and such a quotation shall be rejected.

 . If this heading is displayed and a contractor

feels that it is N/A and does not sign the page, the tender will be non responsive. The content may be marked as N/A if so applicable as is generally the case with Page T14 but the Bidder must still sign and date the required spaces as instructed. Please note initialling the bottom of the page is not seen as a signature it is simply acknowledging that the bidder has seen the page and is aware of what is in his/her document.

Page T16 must be completed in full. Pay special attention to the highlighted sections-

UPPLIER COMPLIANCE STATUS	TAX COMPLIANCE SYSTEM PIN:	OR	CENTRAL SUPPLIER DATABASE No:	MAAA	
-BBEE STATUS LEVEL VERIFICATION ERTIFICATE	TICK APPLICABLE BOX)	B-BBEE STATUS LEVEL SWORN AFFIDAVIT		(TICK APPLIC	ABLE BOX]

A B-BBEE STATUS LEVEL VERIFICATIO OINTS FOR B-BBEE]	IN CERTIFICATE/ SWORN AFFIDAVIT (FOR EI	MES & QSEs) MUST I	SUBMITTED IN ORDER	TO QUALIFY FOR	PREFEREN

Are you a foreign based supplier – This answer should generally be No and the bottom section( <u>QUESTIONMAIRE TO BIDDING FOREIGN SUPPLIERS</u>) does not need to be completed as the contractor has already indicated that he is not a foreign based supplier.

T17 must be completed and signed thus accepting the terms for bidding.

SBD 4 and 8 are extremely important and failing to answer all the questions as required also lead to a bidders offer being seen as non responsive. This has occurred on numerous occasions.

SBD 6.1 Note 6.1 must be completed to claim BBBEE Points. It should be completed as follows: B-BBEE Status Level of Contributor: 1 (What BBBEE level) = ...20 (Correlating points to level – see table 4.1) (maximum of 20 points)

SBD 6.2 is not applicable to the Contract as there is no imported items. All pages should still be initialled to confirm receipt of the pages.

Returnable D – T37 – Generally the simplest and most frequent submission is a Sworn Affidavit. It should be noted that a affidavit must be an original that is certified by a commissioner of oats. If a copy is submitted the contractor will not be awarded any preferential points and therefore lose out on 20 points. On the Affidavit one question is regarding the financial year for which the affidavit is done, This must be the latest financial year and not for 2008 when we are in 2021. Once again if the affidavit is done for the incorrect financial year no BBBEE points will be allocated.

Returnable E on page T38 must be completed and signed by all members/directors. If one of the members/directors fails to sign it is seen as a non responsive document due to the directors/members not being aware of the tender submission.

Returnable G T40 must be completed and have CV's attached as is indicated at the top of the Page. G2 has been redacted and it is not necessary to complete this section.

Returnable J – T46 Must be signed, dated and completed as indicated on the bottom of page T46. Please follow the instructions on page T45 on how to calculate the minimum labour percentage and note that the specified minimum labour percentage is 6% as indicated.

Returnable K – T47 Must be completed correctly and signed. This should be read and completed accordingly. Question 3 has three sub headings. Generally the contractor will answer yes to only one of these. The corresponding number in question 4 must then also be completed. Example – If 3(a) is answered yes then the contractor must answer 4(a) aswell, If 3(b) then 4(b) ect ect.

Lastly it is extremely important to ensure that all pages are initialed and checked before submitting the document.

Page C3 as the form of offer must be signed and the amount in words must be completed failure to do this will invalidate the tender.

Please check that the amount on C3(For of Offer) and C39(BOQ Summary) match.

On a contractual note the following must be mentioned:

The construction period is 4 months and failure to complete the project within the specified timeframe will result in penalties. It is of extreme importance that these risk be factored into the pricing of the documents as the bidders price is also compared to realistic estimate that has been completed by a third party to see if the quoted price is reasonable.
