### **1.3 Overview of the works**

The project comprises the betterment and re-gravelling of 4 km of D1824. It will include reshaping and layer works with the associated road prism drainage

### **1.4 Extent of the works**

The Works to be carried out include the following main activities:

- Establishment on site,
- Accommodation of traffic
- Betterment and re-gravelling
- Drainage Improvements
- Drop Inlet and Headwall construction
- Continuous quality control over material and workmanship, and compliance with the particular specifications with regard to environmental management and occupational health and safety during all activities
- Finishing-off borrow areas and tidying of the road and road reserve

#### **1.5.1 Access to the Site**

Access to the site can be obtained from Department of Transport Area Office Nongoma. Through the duration of the contract, roads shall be shared with other contractors engaged by the KwaZulu Natal Department of Transport on the identified projects whose construction activities may affect access from time to time. The contractor shall therefore require to liaise on an ongoing basis with these other contractors with respect to access related matters throughout the duration of the contract.

### **1.5.6 Material sources, spoil and stockpile areas**

The G7 material for the gravel wearing course shall be obtained from the borrow pit nearest to the road, located approximately 10 km from the access to site.

Spoil areas and areas for the temporary stockpiling of construction materials shall be determined and agreed on site in conjunction with the Employer's Agent and the local communities (where applicable). The Service Provider shall be permitted to use only these agreed spoil and stockpile

areas, which shall be landscaped and vegetated on completion of the work.

The Borrow pit for D 1824 is located 10 km from access to site.

### **1.5.7 Testing of material**

The Contractor shall carry out at his own cost the required process control testing as specified in terms of the Standard Specifications for Road and Bridge Works for South African Road Authorities (COTO), Draft Standard (DS), October 2020.

### **1.10 Contractors campsite (Project Specification)**

The Contractor shall make his own arrangements for the provision of his campsite and housing for construction personnel but the chosen site shall be subject to the approval of the Employer's Agent, the local authorities and, where applicable, the Project Liaison Committee (PLC) associated with the project.

The standard of the Contractor's camp, offices, accommodation, ablution, and other facilities must comply with the requirements of all local authority, environmental and industrial regulations concerned. In establishing and maintaining his campsite, due cognisance is to be taken of the requirements of clause A1.3.3 of the Standard Specifications for Road and Bridge Works for South African Road Authorities (COTO), Draft Standard (DS), October 2020.

### **1.12 Construction Programme**

The Contractor shall submit a detailed time programme in accordance with clause 5.6.2 of the General Conditions of Contract 2015, clause A1.2.7 of the Standard Specifications for Road and Bridge Works for South African Road Authorities (COTO), Draft Standard (DS), October 2020.

### **5.7 Daily Records**

A site diary is to be compiled jointly by the Construction Manager and the Employer's Agent's Representatives on site and is to be agreed and signed by both parties. The original signed copy is to be retained by the Employer's Agent's Representative.

The Contractor is to keep daily records of people and equipment on site in a format to be agreed by the Employer's Agent's Representative and is to provide copies to the Employer's Agent's Representative when requested.

### **5.8 Payment Certificate**

Details of measurements, proof of payment for items contained in provisional sums and prime cost sums, proof of ownership of Plant and materials on site and documentation pertaining to contract price adjustment and special materials, are required as substantiation of claims for payment.

### **5.11 Submission of reports**

The contractor shall submit monthly reports in accordance with the specifications in Part E: Expanded Public Works Programme and Part F: Small Contractor Development.
