3. Page 37 - Terms of Reference under the heading Purpose

“The Department intends to provide universal public transport to provide transportation for people living with disability in the province. In order to ensure equitable provision of public transport and meet the priorities of the National Development Plan and Medium Terms Strategic Framework 2019-2024, the department will provide public transport with universal accessibility. As a start, two universally accessible vehicles will be provided to in each district municipality. At present the department does not have vehicles to provide the service hence a public call for interested suitably qualified services provider to provide offers. “

The above paragraph must be replaced with the paragraph below: The word ‘living’ has been removed from the first sentence.
